**CSA PLEDGE:**

As a shareholder of Redwood Roots Farm in Bayside, CA, I commit to paying in full the share cost of \$450–\$550 which entitles me to a weekly share of vegetables throughout the duration of the growing season. I understand that I am responsible for the pick-up of my share, and will make arrangements if I cannot meet this obligation. Or, I will contact the grower at least 24 hours prior to harvest if I cannot collect my vegetables. In return, the grower promises to make every effort to provide a steady supply of fresh organic produce within the limitations of weather, while maintaining and enhancing cultivated parcels of land.
